

## Order Form for MS spectroscopy service

**Customer:** .....

**Responsible:** .....

**Results by email to:** .....

**Direct telephone:** ..... **Direct Fax:** .....

**Date:** ..... **Signature:** .....

---

**General Information** Name of the substance: .....

Chemical structure: .....

Order number: .....

Soluble in: .....

Substance classes: .....

Contains:  O  N  S  Cl  Br  .....

Characteristics:  base  acid  .....

Return substance after completion:  yes  no

---

**MS Analyses**  ESI-MS (tick desired analyses)  
 GC/MS  
 LC/MS  
measurement mode:  positive  negative  
mass range .....

---

**Objective of MS analysis**  molecular mass  
 structural clarification (only limited)  
 molar mass distribution (polymers)  
 .....

---

**Please leave blank** Order number: ..... Initials .....

Designation of samples: .....

Receipt samples: on ..... at .....

Samples damaged:  yes  no

Dispatch results: on ..... at .....
